TERMS & CONDITIONS:

- Please note that this quotation covers development services only. Website hosting fees are excluded and shall be paid directly by the client to the hosting vendor.
- We'll share the initial design for your review. Once approved, we offer 1-2 rounds of major changes within a 3-4 day window. Please ensure everything is finalized before the site goes live-once the website is hosted, any further UI changes will be billed extra..
- Any services requested outside the agreed scope of work will be subject to additional billing. Creovate media labs team will determine these extra charges based on the complexity and urgency of the requested tasks.This service will be conducted entirely via WhatsApp.All tasks and project requests require a minimum of one business day's notice. After-hours requests and last-minute changes will generally be scheduled for completion during standard working hours, with exceptions made strictly for genuine emergencies.
- Our standard business hours are Monday through Friday-10:00 AM to 5:00 PM, and Saturday-10:00 AM to 3:00 PM. We are closed on Sundays and recognized government holidays. Please note that while our team is offline during non-working hours, all pre-scheduled social media content will continue to be published as planned.
- In the event of a delivery delay caused by the Creovate media labs team, we will provide appropriate compensation or adjustments based on the pending work. Conversely, if deliverables are delayed due to a lack of response, approvals, or required assets from the client, those unused deliverables will expire at the end of the billing cycle and will not be rolled over to the following month.
- The official project start date will be recorded as the date the initial payment is received. To commence work, the client must remit either a 100% upfront payment or a 50% advance deposit. If the 50% advance option is selected, the remaining 50% balance must be paid in full by the mid-point (15th day) of the first project month.
- Please note that from the second month onward, full payment is required within the first week. If the payment is delayed beyond this period, we will need to pause the project until it is received.
